II Green Week in Lublin: Air, Earth and Water – a walk among elements

Main coordinator prof. Aneta A. Ptaszyńska from Maria Curie-Skłodowska University

Green week activities will be carried out jointly with:

Maria Curie-Skłodowska University situated in Lublin, Plac Marii Curie-Skłodowskiej 5, 20-031 Lublin, Poland, represented by the Vice-rector for science and international cooperation prof. dr hab. Wiesław I. Gruszecki

and

Centrum Spokania Kultur situated in Lublin, plac Teatralny 1, 20-029 Lublin, Poland represented by the Director Katarzyna Sienkiewicz

and

Provincial Fund for Environmental Protection and Water Management (WFOŚiGW) in Lublinie, Poland, Wojciechowska 5 Str, 20-704 Lublin, represented by the Chairman of the Board

assoc. prof. Grzegorz Grzywaczewski

and

Lubelskie Voivodeship situated in Lublin, Artur Grottger 4 Str., 20-029 Lublin, Poland, represented by:

Jarosław Stawiarski, Marshal of the Lublin Province

and Sebastian Trojak, Member of the Board of the Lubelskie Voivodeship

Workshop in the form of walks and stationary ones through the Lublin city among Partner Institutions. Showing examples of various environmental activities related to methods of obtaining water and its use in urban green spaces (Zero pollution for water), WFOŚiGW Clean Air Program (Zero pollution for air), creating green space through neighborhood initiatives as alternatives to shrinking greenery in the city, improving our health and wellbeing, living within our ecological planetary boundaries and towards zero pollution production and consumption.

Sincerely yours,

Prof. A.A. Ptaszyńska
